TELEPHONE No. 12.

On the 21st instant, Mr. ALEXANDER ROBERTSON of Hongkong and Shanghai Banking Corporation, Manila, aged 26.

Hongkong, July 30th, 1889.

WE are glad to note, by a Bombay telegram, that it is reported proposals bave been laid before the Bombay Government for the establishment of a Mercantile and Trade Museum in Bombay on the model of similar the Continent. If this proposal be adopted it will be a step in the right direction, well for the men, they were not the parties " wanted." culculated to promote the interests of commerce. It is to be boped that the movement new here; it has already been mooted; and the gardens are very much behind in outture, could do the rest. Contributions from all parts would flow in, and the institution become a most valuable also made in Shanghai, on the 16th instant, in answer to the petition of but so far it is still only in the inceptive 26 British subjects The alleged libel consisted stage. No doubt the plan will evenof keen competition and high pressure it is and Japan in civilisation. Query.-Who would essential that every commercial community should keep itself well posted, and that i should lose no opportunity of developing new branches of business. Of the value attached to such institutions by the Continental nations we have proof in the attention paid to them, especially in Germany, and no merchants have been more successful in dustries than the Germans. Not content the thickest. Here he struck at the root of the with making collections at home these enterprising traders are fitting out a floating flower embroidered boots which have so stirred exhibition of German goods which is to his anger, and these traders, in great alarm, lost the principal ports of the no time after the Governor's chair had disap-East. If it pays to go to so much trouble, able goods to a place of secrecy. it will certainly pay Hongkong to establish a Trade Museum, where could be exhibited the productions of China and other countries of the Far East, in different stages, from the raw material to the manufactured article in its perfect form. Whe- called locally, ma-p'i "horse-hides." Holding ther or not the little Museum in the City an iron whip in their hands, they dance before Hall could form an annexe of a Trade Museum is a question that could be decided sons whom they thus stigmatise as "impure." on the establishment of the latter, but shink this might be usefully done. The collection grows very slowly, and the building behind the crowd when the dreaded ma-p'i comes is not too well adapted for the purpose, heinterest is taken in it by the resident community. That it is popular among the Chi. shown by the fact that with its present limited attractions upwards of 2,000 of them visit it every week. Greater numbers side of the face to the other.

The Agents (Mesers, Adamson, Bell & Co.) would of course be attracted by a Trade inform us that the Shire Line steamer Flint. Museum, and its educational advantages shire, from London, left Singapore on Sunday. would undoubtedly be superior. Such for this port. an institution would be constantly receiving fresh contributions, and would, when

This last delinquent was fortunately caught. Another threatening letter was seul to a gen- at Kalga-to, pass through Central Asia into themen in Fatshan demanding payme t of Tis. Kalga, but they permitted Dr. Landsell to travel 1,500 on pain of death. The matter has been and freely distribute portions of the scripture, tracts, &c. I would advise your readers not to lose.

sengers' luggage is rifled by pirates who had day after to-merrow via Jehol, back to Kiaping, taken passage by her near Sem Niang-mise in and thence to Korea, do. He is lionized here, the Hein Hui district.

A performance was to take place at Tengchien in Shun-te, but a crowd of ruffians hav. Brandt has been discussed here since that gentleing demanded payment of Tls. 3,000 before they

AN AMUSING SKETCH OF HONGKONG.

"The great Chinese question was abandoned after a walk down Queen's Road and another and much more interesting problem presented itself. The place was so much alive, so built, so lighted and so bloatedly rich to all outward appearance. H. Prince Chun, who had not been enjoying that I wanted to know how these things come good health, but I hear H. I. H. is expected to be for nothing, or rivet your khud-faces with Portland cement, or build a five-mile band or establish a clab like a small naless. Thought a like Tsung-li Yamen at 9.30 a.m. today; no establish a club like a small palace. I sought a doubt this was about the Hankow riot affair. Taipan, which, being translated according to the hear Sir John is over-burdened with matters Las was the biggest Taipan on the island and quite the nicest. the owned ships and wharves and houses and mines and a hundred other things. To him

said I :--'O Taipan, I am a poor person from Calcutta and the liveliness of your place astounds me. How is it that everyone smells of money, whence come your municipal improvements and why are the white men so restless?

going shead mightily. Because everything than five bright days during this month. pays. Observe this share list." He took me down a list of thirty or less companies—steam-launch companies, mining, rope- it will be a le bonne heurs for the Fusan district. weaving, dock, trading, agency and general Beans have been put in lately, and are growing companies - and with five exceptions all the splendidly after the heavy rain. shares were at premium—some a hundred, some A Japanese barque is here discharging five hundred and others only fifty.

genuine. Nearly every man you meet in these an appearance on the 12th inst., and will remain parts is a broker and he floats companies. here till the 26th, and then proceed to Yuensan. clock-tower, and beheld how companies were That gentleman ought to be hanged. There floated. Three men with their hate on the back of has not been a Russian man-of-war here for a their kends ocuverse for ten minutes. To these year. Besides our Funn volunteers would ob- Wesson & Co., A. 8.

His Worship-Yes; in the absence of the enters a fourth with a pocketbook. Then all four dive into the Hongkong Hotel for material Mr. Fraser-Smith-It certainly places me in wherewith to float themselves and there is your

company. 'From these things,' said the Tuipan, 'come ceeded with. It cannot stand over; it would | the wealth of Hongkong, Every notion pays simply be an adjournment on the basis you have here, from the dairy-farm upwards. We have laid down. If you dismiss it, then I have passed through our bad times and come to the

He told me tales of old times pityingly be cause he knew I could not understand. All Mr. Fraser-Smith-It is simply putting me | could tell was that the place dressed by Friscoto the trouble of taking out a writ of mandamus. from the haircutter's sulcons to the liquor-bars: You might just as well dismiss it, and save all The faces of the men were turned to the Golden that trouble, or I will be quite content if your Gate even while they floated most of the Worship will adjourn the summons until I bring | Singapore companies. There is not sufficient push in Singapore alone, so Hongkong helps Circulars of new companies lay on the bank Mr. Fraser-Smith-No; we must argue before counters. I moved smid a mase of interests that where the Englishman brades.

After a sesson I escaped from such as floated companies, because I knew I could not under Mr. Fraser-Smith-There is another point I stand them, and ran violently up a hill. Hong the ferns, and there were bamboos over all; Consequently it was only natural that I should find a tramway that stood on its head and waved its feet in the mist. They called it the Victoria Gap Tramway and hauled it up with a rope. It ran upa hill into space at an angle of 65, and to those who have seen the Rhigi, Mount Washington, to the Chaura Maidan in a bee-line with a five cabbages and 50 chickens which are now in the hundred foot khud on the off-side, and we are at market opticalness of the delusion, is it nice to see from your sent houses and trees at magic-lantern angles. Such things before tiffin time are worse

They turned me down twelve hundred feet above the city on the military road to Dalhousi. as it will be when India has a surplus. Then are the only rice mills at present working in with \$100,000 more towards the expenses for they brought me a glorified dandy which, not Bangkok. the improvement of the harbour, but the Home knowing any better, they called a chair. Except that it is too long to turn corners easily, a chair quelled, the ringleaders captured, the military lease to be for five to six years, and the \$100,000 is vastly superior to a dandy. It is more like a forces withdrawn, and husiness in Bangkok has Bombay side fonjon—used at Mahableshwar. again resulted its normal condition, yet the in-You sit in a wicker chair, which is along low on

are light blinds against the rain. e passed coolies widening the road, and causes which led up to the riots, together with The Harbour Master, Sr. Autonic Talone do houses shut up and deserted, solid squat little the doubt as to who is or may be implicated by Costs a Silva, has been telegraphed to return to houses made of stone, with pretty names after the testimony of prisoners in these causes, as Portugal with the least possible delay, and will the hill station custom—Tourend. Croggylands well as the question as to the nature, extent and probably leave by the Djemnah. It is believed and the like and at these things my heart kind of punishment to be meted out to the burned within me. Hongkong has no right to guilty, are all matters of interest and discusthat he is to be appointed Consul at Canton, a mix itself up with Mussocrie in this fashion. sion in Bangkok at present.—Times. post which has lately been created by the Lisbon But nothing happened. We came to the meeting place of the winds, eighteen hundred feet On Saturday the weather was very bad, with above all the world, and saw forty miles of cloud. That was the Peak-the great view place of the island. A laundry on a washing day would have been more interesting, and I never cared for

Chipamen do not approve of showing their comotories. We hunted ours from ledge to ledge for Timor to take up the post of chief of the crops again, till we came to a village of black and of the hill sides, through orops and woods and white pigs and riven red rocks beyond where the deadlay. It was a third-rate place, where they put only small pieces of stone above their friends; but it was pretty. I have studied that oilskin mystery the Chinaman for at least five days. and why he should elect to be buried in good scenery, and by what means he knows good scenery when he sees it, I cannot fathom. But he gets it when the sight is taken from him, and his friends fire crackers above him in token of the triumph. That night I dieed with the Taipan. His was not much of a pulace. I do not think any room was more than forty by thirty, and I know when a dissolute 'rickshaw dropped me at the back door Gasette wires that it is now definitely settled I had not more than a few hundred yards that Prince Albert Victor of Wales will pay to travel through the grounds. They say a visit to India in the coming cold weather. Sir the merchant prince of Calcutta is dead—killed Edward Bradford, Captain Holford, A. D. C. by exchange. Hongkong ought to be able to and another officer, whose name has not yet supply one or two samples. The funny thing transpired will accompany the Prince, who will in the midst of all this wealth-wealth such as arrive at Bombay early in November.

> for by my faith, from sewers to securities, it is the one thing that you can boast of. own which he pins on to all his steamers."

PEKING.

lecture on his journey through Russis, Siberia, and Central Asia. The lecture was given in Dr. Blodget's drawing-room, instead of at the Mission Chapel as intended, as the members of Bishop Scott's mission protested against declaring it would displease the Bishop, &c. sion members and the community were absent, among whom was the Rev. W. A. P. Martin. How narrow minded people are here. Fancy being afraid to use the holy place for a A frait-seller in Fatchan is robbed of all his lecture, and yet the fine cathedral at your port Landsell gave a very interesting lecture. Last autumn the Russian Government would not allow the priests of the Roman Catholic Church

a chance of hearing Dr. Landsell lecture, if A passenger launch is robbed and the pas- he pays a visit to Shanghai. He leaves here the and has been feasted at all the chief legations, and has interviewed Marquis Tseng to-day. The "Quorum" question and Herr von man's departure. All declars that he could allowed the performance to come off, the idea purpose, for he, himself, represented Germany and Austro-Hungary, and, in the absence of the Italian Minister, Italy; then there was H. E. A. Coumany, who represents Russia and Denmark: also the Japanese Minister, and the Dutch Minister. Surely seven out of a total of eleven was sufficient to In 'From Sea to Sea" Mr. Rudyard Kipling form a quorum; but evidently it did not suit gives the following amusing picture of this Prince Bismarck that a quorum should be formed.
On the 12th inst H. I. H. Prince Chun and

the Marquis Tseng had a long interview. This may account for the long article in the Shih-pao about the Tungchow line. H. R. L. Hungchang a few days ago sent up Dr. Ma, one of Dr. now in hand .- Mercury correspondent.
